GRANTS LISTING LISTE DES SUBVENTIONS

This report lists all grants awarded to organizations and individuals in the 2015-16 fiscal year, and final payments made in the 2015-16 fiscal year related to grants awarded in previous years, as well as the names of all jurors and advisory panel members. Ensuring the relevance, fairness and consistency of OAC programs, and therefore the process for allocating grants, is both rigorous and complex. Individual applicants are never asked to sit on juries or advisory panels for programs in which they have an application being assessed. Organizations receiving multi-year operating support are not assessed by advisory panels in Year 2 or Year 3 of their granting cycle. Arts professionals employed by organizations receiving multi-year funding may act as a juror or advisor as long as their organization is not being assessed at that deadline.

Ce rapport recense les subventions accordées aux organismes et aux particuliers pendant l'exercice financier 2015-2016, les derniers versements faits pendant cet exercice pour des subventions octroyées lors d'exercices précédents, ainsi que le nom des membres des jurys et des comités d'évaluation. La procédure suivie pour assurer la pertinence, l'impartialité et la cohérence de ces programmes et, par conséquent, du processus d'octroi des subventions, est à la fois rigoureuse et complexe. Les candidats qui ont une demande en cours de traitement ne sont jamais invités à siéger aux jurys ou aux comités d'évaluation. Les organismes qui reçoivent une subvention de fonctionnement pluriannuelle ne sont pas évalués par un comité pendant l'exercice 2 ou l'exercice 3 de leur cycle de financement. Les professionnels des arts employés par des organismes bénéficiant d'une subvention pluriannuelle peuvent servir de jurés ou de conseillers, pourvu que leur organisme ne fasse pas l'objet d'une évaluation à cette date limite.

The OAC recognizes and values the arts produced by Aboriginal peoples of Ontario. The OAC's Aboriginal Arts programs are designed to support professional Aboriginal artists and organizations to develop, create, produce or present new artistic works, to encourage arts engagement with Aboriginal communities and to enhance the lives and careers of Aboriginal artists. Aboriginal Arts programs are assessed by professional Aboriginal artists. All OAC programs are open to Aboriginal and/or culturally diverse artists or arts organizations. The term *Aboriginal* includes status, non-status, Métis and Inuit people.

Le CAO reconnaît et apprécie les œuvres d'art produites par les peuples autochtones de l'Ontario. Les programmes d'arts autochtones du CAO ont comme objectif d'aider les artistes professionnels et les organismes autochtones à développer, créer, produire ou présenter de nouvelles œuvres d'art, de développer un intérêt pour les arts dans les communautés autochtones et, finalement, d'améliorer la vie et la carrière des artistes autochtones. Les programmes d'arts autochtones sont évalués par des artistes autochtones professionnels. Tous les programmes du CAO sont ouverts aux artistes et aux organismes autochtones, ainsi qu'aux artistes et aux organismes de la diversité culturelle. Le terme *autochtone* désigne les Premières Nations, les Métis et les Inuits.

The OAC's Arts Education programs provide support to arts education initiatives for learners of all ages in school settings and community settings. These initiatives include new works for young audiences, hands-on workshops, artists' residencies, arts education forums and conferences, professional artist presentations for young audiences and the development of artistic resources for teachers that accompany performances and/or workshops. Arts education experiences are a catalyst for creativity, lifelong learning and the development of cultural literacy.

Les programmes d'éducation artistique du CAO subventionnent des initiatives d'éducation artistique pour des apprenants de tout âge à la fois en milieu scolaire et en milieu communautaire. Ces initiatives comprennent de nouvelles œuvres pour jeunes publics, des ateliers pratiques, des résidences d'artistes, des forums et colloques d'éducation artistique, des présentations d'artistes professionnels destinées aux jeunes publics et le développement de ressources artistiques accompagnant des spectacles ou des ateliers et destinées aux enseignants. L'éducation artistique est un catalyseur de la créativité, de l'éducation permanente et de l'acquisition du savoir culturel.

The OAC's Community-Engaged Arts programs support the development of new process-driven artistic work that is the result of co-creative collaborations between professional artists and community members. These arts activities offer artists and communities opportunities to create together using and expanding on their combined knowledge, skills and experience.

Les programmes des arts axés sur la communauté du CAO appuient le développement de nouvelles œuvres artistiques résultant d'une démarche de collaboration créative entre des artistes professionnels et des membres de la communauté. Ces activités artistiques donnent aux artistes et aux communautés l'occasion d'utiliser et de développer leurs connaissances, compétences et expériences collectives pour créer une œuvre ensemble.

NORTHERN ARTS

ARTS DU NORD

Christina Akrong

Officer

Responsable

The Northern Arts program acknowledges the distinctive nature of the arts produced in northern Ontario. The program provides project support for new works by northern Ontario-based organizations, individual artists and collectives. It funds projects that present or promote the distribution of northern arts and artists in recognition that audiences in the north deserve access to more arts experiences. The program also supports community engagement projects as well as skills and career development projects in the arts. The Northern Arts consultants provide grant application guidance to artists and arts organizations based in Ontario's far north, northwest and northeast.

Le programme Arts du Nord reconnaît la nature particulière de la production artistique dans le nord de l'Ontario. Ce programme offre des subventions de projet aux organismes, artistes et collectifs du Nord pour la création de nouvelles œuvres. Il finance des projets dont le but principal consiste à présenter, promouvoir et diffuser les arts et les artistes du Nord pour que les auditoires de cette région aient accès à un plus grand nombre d'expériences artistiques. Ce programme subventionne également les projets de nature communautaire ainsi que les projets qui favorisent le développement des compétences artistiques et le perfectionnement professionnel. Les conseillers artistiques pour le Nord aident les artistes et les organismes artistiques du Grand Nord, du Nord-Ouest et du Nord-Est à présenter une demande de subvention.

TOURNÉES ET DÉVELOPPEMENT DE L'AUDITOIRE

Responsable

The OAC's Touring and Audience Development programs support professional artists and arts organizations who tour performances, exhibitions and arts events that showcase the creativity, innovation and excellence of Ontario artists across the country and on the international stage. The programs also support the exchange of artistic experiences across national and international boundaries, help develop knowledgeable audiences and provide presenters with more opportunities to network, learn and preview performances for programming upcoming seasons. Theatre Connects is an audience development pilot program modelled on the success of the Ontario Dances program.

Les programmes de tournées et de développement de l'auditoire du CAO appuient les artistes professionnels et les organismes artistiques faisant des tournées de spectacles, d'expositions et d'événements artistiques qui mettent en valeur, au Canada et à l'étranger, la créativité, l'innovation et l'excellence des artistes de l'Ontario. Ces programmes appuient également l'échange d'expériences artistiques à l'intérieur et à l'extérieur du pays, contribuent à développer des publics avertis, et donnent aux diffuseurs de plus grandes possibilités de réseauter, de s'informer et de voir en avant-première des spectacles qui seront éventuellement programmés lors de saisons à venir. Connexions théâtres est un programme pilote de développement de l'auditoire calqué sur le modèle du programme très réussi intitulé Ontario danse.

TRAVEL ASSISTANCE AIDE AU DÉPLACEMENT

The Travel Assistance fund exists primarily to support Ontario presenters who wish to attend either Ontario Contact, the Ontario Presenting Networks's annual showcasing event, or Réseau Ontario's Contact ontariois. One subsidy is allowed per organization on round trips of 300 km or more and is calculated on a per-kilometre rate with flight expenses factored into the final support figures for presenters travelling from northern Ontario communities.

Le fonds d'aide au déplacement vise principalement à défrayer les diffuseurs ontariens qui souhaitent assister à Contact ontariois, vitrine annuelle des arts de la scène francophones organisée par Réseau Ontario, ou à Ontario Contact, vitrine annuelle de langue anglaise organisée par Ontario Presenting Network. Les organismes ont droit à une seule subvention pour des trajets aller-retour de 300 km ou plus, subvention calculée en fonction du kilométrage et qui, pour les diffuseurs en provenance de collectivités du nord de l'Ontario, couvre aussi les déplacements en avion.

The OAC's Visual Arts programs support and encourage the development of Ontario visual artists, craft artists and curators, and they assist public art galleries, artist-run art galleries, production centres, presenters, distributors, festivals, artists' collectives and craft organizations. These programs support the range of media and expression used in all aspects of visual arts and craft.

Les programmes d'arts visuels du CAO soutiennent et encouragent le perfectionnement des artistes en arts visuels, des artistes en métiers d'art et des commissaires de l'Ontario. Ils appuient également les galeries d'art publiques, les galeries d'art autogérées, les centres de production, les diffuseurs, les distributeurs, les festivals, les collectifs d'artistes et les organismes de métiers d'art. Ces programmes soutiennent la gamme d'expressions et de supports utilisés dans tous les aspects des arts visuels et des métiers d'art.

The OAC manages private funds established by individual donors to benefit the arts. The income from these funds allows us to present awards, scholarships, grants and fellowships to artists for purposes identified by the individual donors. The OAC's Awards Office administers the awards programs in addition to administering awards on behalf of the Government of Ontario, the Ontario Arts Foundation and other foundations. We also assist individuals who are interested in establishing an endowment or award in support of the arts at OAC.

Please note that in this report, the date of awards listed does not necessarily correspond to the date of awards ceremonies.

Le CAO gère des fonds privés que des donateurs individuels ont établis pour soutenir les arts. Les revenus de ces fonds lui permettent de décerner à des artistes des prix, des bourses et des subventions aux fins déterminées par les donateurs. Le Bureau des prix du CAO administre ces programmes de prix et administre aussi des prix pour le compte du gouvernement de l'Ontario, de la Fondation des arts de l'Ontario et d'autres fondations. Il aide également les personnes intéressées à établir auprès du CAO une dotation ou un prix en faveur des arts.

Veillez noter que la date des prix indiquée ici ne correspond pas nécessairement à la date des cérémonies de remise des prix.

“We work with arts patrons to build long-term support for the arts in Ontario.”

The Ontario Arts Foundation (the Foundation) is a public non-government foundation established in 1991 to encourage and facilitate private giving to the arts. The Foundation works with donors to build lasting endowments in support of the arts based on their philanthropic wishes, and it currently holds over 300 endowments established by individuals, foundations and arts organizations.

Both OAC and the Foundation have awards programs. Awards and scholarships are established through gifts from donors and are administered according to each donor's wishes. The OAC manages the selection process for several awards established through funds at the Foundation. When OAC and the Foundation have collaborated on an award, the name of the award is listed in OAC's Awards pages and the Foundation's pages.

« Nous travaillons avec les mécènes des arts afin de construire un soutien de long terme pour les arts en Ontario. »

La Fondation des arts de l'Ontario (FAO) est une fondation de bienfaisance publique non gouvernementale créée en 1991 pour encourager et faciliter les dons privés aux arts. Elle établit des fonds de dotation à perpétuité pour les arts en collaboration avec les donateurs et en tenant à réaliser les objectifs philanthropiques de ces derniers. La FAO détient plus de 300 dotations établies par des particuliers, des fondations et des organismes artistiques.

Le CAO et la FAO ont tous deux des programmes de prix. Les prix et bourses sont établis grâce aux dons de donateurs et sont administrés conformément aux volontés de ces derniers. Le CAO gère le processus de sélection de plusieurs prix établis par des fonds de la FAO. Si un prix fait l'objet d'une collaboration entre le CAO et la FAO, il figure aussi bien dans les pages du CAO que dans les pages de la FAO.
