GRANTS LISTING

This report lists all grants awarded to organizations and individuals in the 2012-2013 fiscal year, and final payments made in the 2012-2013 fiscal year related to grants awarded in previous years, as well as the names of all jurors and advisory panel members. In 2012-2013, there were more than 65 granting programs at OAC. Ensuring the relevance, fairness and consistency of these programs and therefore the process for allocating grants is both rigorous and complex.

Applicants whose applications are in process are never asked to sit on juries or advisory panels. Organizations receiving multi-year operating support are not assessed by advisory panels in Year 2 or Year 3 of their granting cycle. Representatives of organizations receiving multi-year funding may act as a juror or advisor.

LISTE DES SUBVENTIONS

Ce rapport annuel recense les subventions accordées aux organismes et aux particuliers pendant l'exercice financier 2012-2013, les derniers versements faits pendant cet exercice pour des subventions octroyées lors d'exercices précédents, ainsi que le nom des membres des jurys et des comités d'évaluation. En 2012-2013, le CAO a administré plus de 65 programmes de subvention. Les moyens utilisés pour assurer la pertinence, l'impartialité et la cohérence de ces programmes et, par conséquent, du processus d'octroi des subventions, sont à la fois rigoureux et complexes.

Les candidats dont les demandes sont en cours de traitement ne siègent jamais aux jurys ou aux comités d'évaluation. Les organismes qui reçoivent une subvention de fonctionnement pluriannuelle ne sont pas évalués par un comité pendant l'exercice 2 ou l'exercice 3 de leur cycle de financement. Les représentants d'organismes recevant une subvention pluriannuelle peuvent servir de jurés ou de conseillers.

The OAC recognizes and values the arts produced by Aboriginal peoples of Ontario. OAC's Aboriginal Arts programs are designed to support professional Aboriginal artists and organizations to develop, create, produce or present new artistic works, to encourage arts engagement with Aboriginal communities and to enhance the lives and careers of Aboriginal artists. Aboriginal Arts programs are assessed by professional Aboriginal artists. All OAC programs are open to Aboriginal and/or diverse artists or arts organizations. The term *Aboriginal* includes status, non-status, Métis and Inuit people.

Le CAO reconnaît et apprécie les œuvres d'art produites par les peuples autochtones de l'Ontario. Les programmes d'arts autochtones du CAO ont comme objectif d'aider les artistes professionnels et les organismes autochtones à développer, créer, produire ou présenter de nouvelles œuvres d'art, de développer un intérêt pour les arts dans les communautés autochtones et, finalement, d'améliorer la vie et la carrière des artistes autochtones. Les programmes d'arts autochtones sont évalués par des artistes autochtones. Tous les programmes du CAO sont ouverts aux artistes et aux organismes autochtones, ainsi qu'aux artistes et aux organismes des communautés culturelles. Le terme *autochtone* inclut les Indiens inscrits et non inscrits, les Métis et les Inuits.

ANCHOR ORGANIZATIONS ORGANISMES PHARES

BILLYANN BALAY

Director of Granting Programs

Directrice des programmes de subvention

The Anchor Organizations program provides operating support to organizations that are significant to their sectors and their regions through the scope of their artistic activity, their role within the cultural community, their size and their financial and operational complexity. Anchor organizations are artistic institutions that are of sufficient expertise and scale to perform consistently at an international level of excellence, attract audiences internationally and provide a standard of leadership in their artistic discipline for both the province and the country. These organizations are assessed by advisory panels for the community and multidisciplinary arts, dance, media arts, opera, orchestras and theatre operating programs.

Le programme Organismes phares accorde des subventions de fonctionnement aux organismes qui contribuent significativement à leur secteur et à leur région par l'envergure de leur activité artistique, le rôle qu'ils tiennent dans le milieu culturel, leur ampleur et la complexité de leur financement et de leur fonctionnement. Il s'agit d'établissements artistiques qui, grâce à leur degré de spécialisation et à leur portée, se produisent uniformément à un niveau d'excellence international, attirent des auditoires du monde entier et font office de chefs de file dans leur discipline artistique à l'échelle provinciale aussi bien qu'à l'échelle nationale. Des comités d'évaluation étudient les demandes de ces organismes dans le cadre des programmes de fonctionnement de différentes disciplines (arts communautaires et multidisciplinaires, danse, arts médiatiques, opéra, orchestres et théâtre).

OAC's Arts Education programs provide support to arts education initiatives for learners of any age in schools and community settings. These initiatives include new works, hands-on workshops, artists' residencies, arts education forums and conferences, professional artist presentations for young audiences and the development of artistic resources for teachers. Arts education experiences are a catalyst for creativity, lifelong learning and the development of cultural literacy. OAC partners with the arts community and education communities in this effort.

Les programmes d'éducation artistique du CAO subventionnent des initiatives d'éducation artistique pour des apprenants de tout âge à la fois en milieu scolaire et en milieu communautaire. Ces initiatives comprennent de nouvelles œuvres, des ateliers pratiques, des résidences d'artistes, des forums et colloques d'éducation artistique, des présentations d'artistes professionnels destinées aux jeunes publics et le développement de ressources pour les enseignants. L'éducation artistique est un catalyseur de la créativité, de l'éducation permanente et de l'acquisition du savoir culturel. Le CAO établit à cette fin des partenariats avec le milieu artistique et le milieu de l'éducation.

COMMUNITY AND MULTIDISCIPLINARY ARTS ARTS COMMUNAUTAIRES ET MULTIDISCIPLINAIRES

LOREE LAWRENCE

Officer

Responsable

OAC's community and multidisciplinary arts programs support two kinds of artistic activities: community arts involves artists collaborating with community groups who otherwise might not have access to the arts in the co-creation of new work and in the transfer of cultural practices; and multidisciplinary and integrated arts, which include the creation, production and presentation of work that incorporates two or more artistic disciplines. Examples of these are festivals, events, series and interdisciplinary experiments. Community and multidisciplinary arts programs are aimed at increasing public participation and engagement in and enjoyment of the arts in their many forms, as well as in bringing artists together to work across disciplines.

Les programmes d'arts communautaires et multidisciplinaires du CAO appuient deux types d'activités artistiques : d'une part, les activités artistiques communautaires dans lesquelles des artistes collaborent avec des groupes de la collectivité qui, sans cela, n'auraient pas accès aux arts, à la création collective de nouvelles œuvres et au transfert de pratiques culturelles ; d'autre part, les activités artistiques multidisciplinaires et intégrées, dans lesquelles des artistes créent, produisent et présentent des œuvres relevant de deux disciplines artistiques ou plus. Exemples : festivals, événements, séries et expérimentations interdisciplinaires. Les programmes des arts communautaires et multidisciplinaires visent à amener le public à participer aux arts et à en apprécier les différentes formes aussi bien qu'à donner aux artistes l'occasion de créer des œuvres qui chevauchent plus d'une discipline.

Les programmes du Bureau des arts franco-ontariens du CAO encouragent le développement des arts, des artistes et des organismes artistiques de la province dans toutes les disciplines fondées sur la langue française. Ces programmes sont conçus pour favoriser l'accès des communautés francophones de l'Ontario aux arts et sont offerts uniquement en français. Le poste de responsable adjointe des arts francophones a été créé pour appuyer le travail du Bureau des arts franco-ontariens afin d'assurer une aide supplémentaire aux candidats francophones et diriger des jurys et comités qui évaluent les demandes présentées en français aux programmes des arts franco-ontariens et d'autres disciplines (Chalmers, Compas, Tournées ontariennes, Tournées nationales et internationales, etc.).

OAC's Franco-Ontarian Arts programs encourage the development of Franco-Ontarian arts, artists and arts organizations in Ontario in all language-based arts disciplines. These programs are designed to encourage access to the arts for all francophone communities. Programs are available in French only. The Francophone Associate Arts Officer position was created to support the work of the Franco-Ontarian Arts Office in order to provide additional assistance to francophone applicants and administer assessment panels of Franco-Ontarian arts programs and French-language applications to other granting programs (Chalmers, Compass, Ontario Touring and National and International Touring etc).

The Northern Arts program acknowledges the distinctive nature of the arts produced in northern Ontario. The program provides project support for new works by northern Ontario-based arts organizations, individual artists and collectives. It also funds projects that present or promote the distribution of northern arts and artists in recognition that audiences in the north need access to more arts experiences. The Northern Arts Consultants provide grant application guidance to artists and arts organizations based in Ontario's far north, northwest and northeast.

Le programme Arts du Nord reconnaît la nature particulière de la production artistique dans le nord de l'Ontario. Ce programme offre des subventions de projet aux organismes, artistes et collectifs du Nord pour la création de nouvelles œuvres. Il finance aussi des projets dont le but principal consiste à présenter, promouvoir et diffuser les arts et les artistes du Nord pour que les auditoires de cette région aient accès à un plus grand nombre d'expériences artistiques. Les conseillers artistiques pour le Nord aident les artistes et les organismes artistiques du Grand Nord, du Nord-Ouest et du Nord-Est à présenter une demande de subvention.

OAC's Touring office programs support professional artists and arts organizations who tour performances, exhibitions and arts events that showcase the creativity, innovation and excellence of Ontario artists across the country and on the international stage. They also support the exchange of artistic experiences across national and international boundaries, help develop knowledgeable audiences and provide presenters with more opportunities to network, learn and preview performances for programming upcoming seasons.

Les programmes de tournées du CAO appuient les artistes professionnels et les organismes artistiques voulant faire des tournées de spectacles, d'expositions et d'événements artistiques qui font valoir, au Canada et à l'étranger, la créativité, l'innovation et l'excellence des artistes de l'Ontario. Ils appuient également l'échange d'expériences artistiques à l'intérieur et à l'extérieur du pays, contribuent à développer des publics avertis, et donnent aux diffuseurs la possibilité de réseauter, de s'informer et de voir des spectacles à programmer éventuellement pour les saisons à venir.

Travel Assistance **Aide au déplacement**

The Travel Assistance fund exists primarily to support Ontario presenters who wish to attend either Ontario Contact, the Ontario Presenting Networks's annual showcasing event, or Réseau Ontario's Contact ontariois. One subsidy is allowed per organization on round trips of 300 km or more and is calculated on a per kilometre rate with flight expenses factored into the final support figures for presenters travelling from Northern Ontario communities.

Le fonds d'aide au déplacement vise principalement à défrayer les diffuseurs ontariens qui souhaitent assister à Contact ontariois, vitrine annuelle des arts de la scène francophones organisée par Réseau Ontario, ou à Ontario Contact, vitrine annuelle de langue anglaise organisée par Ontario Presenting Network. Les organismes ont droit à une seule subvention pour des trajets aller-retour de 300 km ou plus, subvention calculée en fonction du kilométrage et qui, pour les diffuseurs en provenance de collectivités du nord de l'Ontario, couvre aussi les déplacements en avion.

ARTS INVESTMENT FUND

FONDS D'INVESTISSEMENT DANS LES ARTS

MAURA BROADHURST

Officer

Responsible

The Arts Investment Fund (AIF) is in the final year of a three-year initiative, created by the Government of Ontario and administered by OAC → it has disbursed \$27 million since its launch in 2010-2011. Its goal is to help arts organizations build their capacity and audiences through fundraising, marketing, revenue growth and private-sector support. Only organizations that receive OAC operating funding are eligible for AIF support.

Le Fonds d'investissement dans les arts (FIA), initiative de trois ans créée par le gouvernement de l'Ontario et administrée par le CAO, en est à sa dernière année et a versé 27 millions de dollars aux organismes artistiques depuis son lancement en 2010-2011. Son objectif consiste à aider les organismes artistiques à renforcer leurs capacités et à élargir leurs auditoires par la collecte de fonds, le marketing, l'augmentation des revenus et l'appui du secteur privé. Seuls les organismes qui reçoivent une subvention de fonctionnement du CAO sont admissibles à l'aide du FIA.

OAC Arts Investment Fund for Publishers and Periodicals

Fonds d'investissement dans les arts du CAO pour les éditeurs de livres et de périodiques

OAC has contributed an additional \$1.1 million over three years for English- and French-language book and magazine publishers in Ontario. This group includes for-profit entities, which are not eligible for the province's Arts Investment Fund. OAC's interest in the book and publishing world has always been focused on the creation of a distinct Ontario literature.

Le CAO a affecté un montant supplémentaire de 1,1 million de dollars sur trois ans aux éditeurs de livres et de périodiques de langue française et de langue anglaise de l'Ontario. Comme ce groupe comprend des entités à but lucratif, il n'est pas admissible au Fonds d'investissement dans les arts. L'intérêt du CAO pour le monde du livre et de l'édition a toujours été axé sur la création d'une littérature ontarienne distincte.

OAC manages private funds established by individual donors to benefit the arts. The income from these funds allows us to present awards, scholarships, grants and fellowships to artists for purposes identified by the individual donors. OAC's Awards Office administers the awards programs in addition to administering awards on behalf of the Government of Ontario, the Ontario Arts Foundation and other foundations. We also assist individuals who are interested in establishing an endowment or award in support of the arts at OAC.

Le CAO gère des fonds privés que des donateurs individuels ont établis pour soutenir les arts. Les revenus de ces fonds lui permettent de décerner à des artistes des prix, des bourses et des subventions aux fins déterminées par les donateurs. Le Bureau des prix du CAO administre ces programmes de prix et administre aussi des prix pour le compte du gouvernement de l'Ontario, de la Fondation des arts de l'Ontario et d'autres fondations. Il aide également les personnes intéressées à établir auprès du CAO une dotation ou un prix en faveur des arts.

Please note that in this report, the date of awards listed does not necessarily correspond to the date of awards ceremonies.

Veuillez noter que la date des prix indiquée ici ne correspond pas nécessairement à la date des cérémonies de remise des prix.

"We work with arts patrons to build long-term support for the arts in Ontario."

« Nous travaillons avec les mécènes des arts afin de construire un soutien de long terme pour les arts en Ontario. »

The Ontario Arts Foundation (the Foundation) is a public non-government foundation established in 1991 to encourage and facilitate private giving to the arts. The Foundation works with donors to build lasting endowments in support of the arts based on their philanthropic wishes, and currently holds over 300 endowments established by individuals, foundations, corporations and arts organizations.

Both the OAC and the Foundation have awards programs. Awards and scholarships are established through gifts from donors and are administered according to each donor's wishes. The OAC manages the selection process for several awards established through funds at the Foundation. When the OAC and the Foundation have collaborated on an award, the name of the award is listed in the OAC's Awards pages and the Foundation's pages.

La Fondation des arts de l'Ontario (FAO) est une fondation de bienfaisance publique non gouvernementale créée en 1991 pour encourager et faciliter les dons privés aux arts. Elle établit des fonds de dotation à perpétuité pour les arts en collaboration avec les donateurs et en tenant à réaliser les objectifs philanthropiques de ces derniers. La FAO détient plus de 300 dotations établies par des particuliers, des fondations, des sociétés et des organismes artistiques.

Le CAO et la FAO ont tous deux des programmes de prix. Les prix et bourses sont établis grâce aux dons de donateurs et sont administrés conformément aux volontés de ces derniers. Le CAO gère le processus de sélection de plusieurs prix établis par des fonds de la FAO. Si un prix fait l'objet d'une collaboration entre le CAO et la FAO, il figure aussi bien dans les pages du CAO que dans les pages de la FAO.
