# Grants Listing Introduction

## Liste des subventions Introduction

The Ontario Arts Council's (OAC's) 2017-2018 Grants Listing reports on all grant amounts paid to organizations and individuals throughout the fiscal year (April 1, 2017 to March 31, 2018). The report also includes final payments made in the 2017-18 fiscal year related to grant results announced in previous years (this can occur when a grant has been awarded with conditions that are not met until a subsequent fiscal period). Because this report is a snapshot representing a fixed point in time, the reader of this report may see listings for granting programs that no longer exist or have changed names.

This year, the grants listings are organized under the funding framework that served as OAC's organizing principle in preparation for the January 2017 launch of Nova, OAC's online granting system. OAC granting programs are now listed under the following four streams:

- Creating and Presenting
- Building Audiences and Markets
- Engaging Communities and Schools
- Developing Careers and Arts Services

OAC's six priority groups are a key focus in all programs, which remain discipline-based, activity-based or priority group-based.

In addition, this report includes the grants awarded under two OAC partnership programs: the **Indigenous Culture Fund** and the **Creative Engagement Fund**. These programs are administered respectively on behalf of the Ministry of Tourism, Culture and Sport and what was, in 2017-18, the Ministry of the Status of Women.

Finally, the OAC also administers the selection process for various awards and scholarships from private funds held at OAC, such as the Chalmers Family Fund, as well as two government-funded award programs. This section includes the listings for our sister organization, the Ontario Arts Foundation.

La *Liste des subventions 2017-2018* du Conseil des arts de l'Ontario (CAO) fait état de tous les montants versés aux organismes et aux particuliers pendant l'exercice financier qui va du 1<sup>er</sup> avril 2017 au 31 mars 2018. Ce rapport comprend également les derniers versements effectués au cours de l'exercice 2017-2018 pour des subventions annoncées au cours de l'exercice précédent (cela peut se produire lorsqu'une subvention a été accordée sous réserve de conditions qui ne sont remplies qu'au cours de l'exercice suivant). Étant donné que ce rapport donne un aperçu d'une période précise, on peut y trouver des informations liées à des programmes de subventions qui n'existent plus ou qui ont changé de nom.

Cette année, la liste des subventions est structurée en fonction du cadre de financement qui a servi de principe d'organisation en vue du lancement, en janvier 2017, de Nova, le système de subventions du CAO. Les programmes de subventions du CAO sont maintenant regroupés en quatre filières :

- Création et diffusion
- Développement des publics et des marchés
- Collaboration avec les communautés et les écoles
- Renforcement des carrières et des services aux arts

Les six groupes prioritaires du CAO sont une cible privilégiée de tous les programmes, qu'ils soient axés sur une discipline, une activité ou un groupe prioritaire.

Ce rapport comprend aussi les subventions accordées dans le cadre de deux programmes de partenariat du CAO : le **Fonds culturel autochtone** et le **Fonds de mobilisation créative**. Ces programmes sont administrés respectivement pour le ministère du Tourisme, de la Culture et du Sport et de ce qui était, en 2017-2018, le ministère de la Condition féminine.

Enfin, le CAO gère également le processus de sélection de plusieurs prix et bourses provenant de fonds privés

## How grant applications are assessed

Where applicable, the listings also include the names of assessment panel members for each program deadline. In most cases, OAC uses one of three peer assessment models to review applications and make grant decisions:

- Juries are generally used for project programs. The jury is made up of professional artists and other arts professionals who determine which applicants should receive grants and decide on the grant amount if the program does not already have a pre-determined grant level.
- Advisory panels are used for operating programs and some project programs. The advisors who serve on the panel are professional artists and other professionals in the field and are responsible for assessing applications and providing advice on funding priorities. Unlike jurors, advisors do not make final decisions on grant amounts, and instead make recommendations to OAC that are submitted to the Director & CEO and to the Board of Directors for approval.
- Third party recommenders are organizations in the artistic community that receive and assess grant applications and make recommendations for funding to OAC.

For certain deadlines (for years two and three of a multi-year funding cycle, for example), funding requests are reviewed internally by OAC program officers. Ensuring the relevance, fairness and consistency of OAC programs, and therefore the process for allocating grants, is both rigorous and complex. Individual applicants are never asked to sit on juries or advisory panels for programs in which they have an application being assessed. An arts professional employed by an organization receiving multi-year funding may act as an assessor as long as their organization is not being assessed at that deadline.

qui lui ont été confiés, comme le Fonds de la famille Chalmers, ainsi que deux programmes de prix financés par le gouvernement. Cette section comprend la liste des subventions de notre organisme-sœur, la Fondation des arts de l'Ontario.

## L'évaluation des demandes de subvention

La liste comprend éventuellement le nom des membres des groupes d'évaluateurs pour chaque date limite du programme. Dans la plupart des cas, le CAO utilise l'un de trois modèles d'évaluation par les pairs pour examiner les demandes et prendre les décisions en matière de subvention :

- Les jurys sont généralement utilisés pour les programmes de projets. Ils sont composés d'artistes professionnels et d'autres professionnels des arts qui sélectionnent les candidats méritant d'être subventionnés et déterminent le montant de la subvention si le programme n'a pas déjà un niveau de subvention prédéterminé.
- Les comités d'évaluation sont utilisés pour les programmes de fonctionnement et certains programmes de projets. Les conseillers qui y siègent sont des artistes professionnels et d'autres professionnels des arts du domaine en question qui sont chargés d'évaluer les demandes et de donner des conseils sur les priorités de financement. Contrairement aux jurés, les conseillers ne prennent pas les décisions sur le montant des subventions, mais font des recommandations qui sont soumises au directeur général et au conseil d'administration du CAO pour approbation.
- Les tiers recommandataires sont des organismes du milieu artistique qui reçoivent les demandes de subvention, les évaluent et font des recommandations de financement au CAO.

Pour certaines dates limites (comme l'exercice 2 et 3 d'un cycle de financement pluriannuel, par exemple), les demandes sont examinées à l'interne par les responsables des programmes du CAO. La procédure suivie pour assurer la pertinence, l'impartialité et la cohérence des programmes du CAO et, par conséquent, du processus d'octroi des subventions, est à la fois rigoureuse et complexe. Le CAO n'invite jamais des candidats à siéger à un jury ou à un comité d'évaluation pour un programme dans le cadre duquel leur demande est évaluée. Les professionnels des arts employés par des organismes bénéficiant d'une subvention pluriannuelle peuvent servir d'évaluateurs, pour autant que leur organisme ne fasse pas l'objet d'une évaluation à la date limite en question.

# Creating and Presenting

## Création et diffusion

08

The Creating and Presenting stream is the largest of the four streams in the Ontario Arts Council's funding framework. The programs offered through this stream fulfill the first half of our organizational mandate – to foster the creation and production of art – by providing project and operating support to professional artists and arts organizations. This helps build a vital arts sector in Ontario and ensures access to the arts, which makes all of our lives richer.

While most of the programs in the Creating and Presenting stream are designed to provide support by artistic discipline, OAC also offers programs designated for specific priority groups and geographic regions. This approach ensures that the needs of diverse arts communities across the province are met and that various cultural and practical approaches to artistic creation are recognized and supported. We believe that works of artistic merit are created by artists from all communities, regions and cultural backgrounds.

La filière Création et diffusion est la plus grande des quatre filières du cadre de financement du Conseil des arts de l'Ontario et répond à la première moitié du mandat de notre organisme : favoriser la création et la production artistiques. Les programmes qu'elle offre accordent aux artistes professionnels et aux organismes artistiques des subventions de projets et de fonctionnement qui contribuent au dynamisme du secteur artistique de l'Ontario et assurent un accès aux arts qui enrichit nos vies à tous.

Si la plupart des programmes de subventions de la filière Création et présentation sont axés sur une discipline artistique, le CAO offre également des programmes destinés à des groupes prioritaires et à des régions géographiques précises. Cette approche permet répondre aux besoins des différents milieux artistiques de la province et de promouvoir différentes démarches culturelles ou différentes pratiques de la création artistique. Nous sommes convaincus que des œuvres artistiques méritoires sont créées par des artistes de toutes les communautés, de toutes les régions et de tous les horizons culturels.

## Dance Danse

The Ontario Arts Council's Dance programs encourage the evolution of all dance forms and the development of professional dance artists by supporting Ontario-based choreographers, dance companies, performing arts presenters, dance training organizations and dance organizations that support Ontario's professional dance sector.

Les programmes de danse du Conseil des arts de l'Ontario favorisent l'évolution de toutes les formes de danse et le perfectionnement des artistes professionnels de la danse en appuyant les chorégraphes, les compagnies de danse, les diffuseurs des arts de la scène, les organismes de formation en danse et les organismes de danse qui soutiennent le secteur de la danse professionnelle de l'Ontario.

## Deaf and Disability Arts Pratiques des artistes sourds ou handicapés

The Ontario Arts Council's Deaf and Disability Arts programs support Ontario-based artists and arts professionals who are Deaf and/or have a disability as well as ad hoc groups/collectives and arts organizations that serve these communities and are led by artists and/or arts professionals who are Deaf or have a disability. OAC's Deaf and Disability Arts programs provide funding for the investigation and material costs related to the creation of new works as well as professional costs related to project documentation, training and mentorship opportunities.

Les programmes du Conseil des arts de l'Ontario destinés aux artistes sourds ou handicapés appuient les artistes et les professionnels des arts de l'Ontario qui sont sourds ou ont un handicap, ainsi que les groupes ad hoc, collectifs et organismes artistiques qui desservent ces artistes et qui sont dirigés par des artistes ou des professionnels des arts sourds ou handicapés. Les programmes du CAO axés sur les pratiques des artistes sourds ou handicapés financent les frais de recherche et de matériaux liés à la création de nouvelles œuvres, ainsi que les coûts professionnels liés à la documentation des projets, à la formation et aux possibilités de mentorat.

## Indigenous Arts

### Arts autochtones

The Ontario Arts Council's Indigenous Arts programs are designed to support professional Indigenous artists and organizations as they develop, create, produce or present new artistic works or existing traditional art forms. In addition, OAC also provides support for projects and initiatives that encourage arts engagement with Indigenous communities and enhance the lives and careers of Indigenous artists. Indigenous Arts programs are assessed by professional Indigenous artists. All OAC programs are open to Indigenous and/or culturally diverse artists or arts organizations. The term *Indigenous* includes status, non-status, Métis and Inuit peoples.

Les programmes d'arts autochtones du CAO ont comme objectif d'aider les artistes professionnels et les organismes autochtones à développer, créer, produire ou présenter de nouvelles œuvres ou des œuvres d'art traditionnelles. Le CAO subventionne aussi des projets et des initiatives qui favorisent le développement des arts dans les communautés autochtones et qui améliorent la vie et la carrière des artistes autochtones. Les programmes d'arts autochtones sont évalués par des artistes autochtones professionnels. Tous les programmes du CAO sont ouverts aux artistes et aux organismes artistiques autochtones, ainsi qu'aux artistes et aux organismes artistiques de la diversité culturelle. Le terme *Autochtone* désigne les Premières Nations, les Métis et les Inuits.

## Literature Littérature

The Ontario Arts Council's Literature programs support the development, publication and presentation of new literary works in the English language. Through project and operating grants, OAC fosters the work of writers, literary performers, publishers and presenters across the province.

These programs are offered in English only. Funding for the creation, publication and dissemination of French-language literature, including creation grants and operating funding, is offered through Francophone Arts programs.

Les programmes de littérature du CAO appuient le développement, la publication et la diffusion de nouvelles œuvres littéraires de langue anglaise. Grâce à des subventions de projets et de fonctionnement, le CAO favorise le travail des écrivains, des artistes de la performance littéraire, des maisons d'édition et des diffuseurs de toute la province.

Ces programmes sont offerts uniquement en anglais. Les programmes d'arts francophones soutiennent la création, la publication et la diffusion d'œuvres littéraires de langue française, et comprennent notamment des subventions de création et de fonctionnement.

## Media Arts Arts médiatiques

The Ontario Arts Council's Media Arts programs support the creation, distribution and exhibition of works created by Ontario-based media artists. Programs also provide operational and project funding for not-for-profit and artist-run media arts production centres, presenters, distributors, festivals and artist collectives that support media artists and the media arts infrastructure of the province. The various forms of media arts include film, video, media installations, sound art, electronic and video game arts, digital media and virtual reality projects.

Les programmes d'arts médiatiques du CAO appuient la création, la diffusion et l'exposition d'œuvres créées par des artistes ontariens des arts médiatiques. Ils offrent également des subventions de fonctionnement et de projets aux centres de production, diffuseurs, distributeurs, festivals et collectifs d'artistes en arts médiatiques sans but lucratif ou dirigés par des artistes qui soutiennent les artistes en arts médiatiques et l'infrastructure des arts médiatiques de la province. Les différentes formes d'arts médiatiques comprennent le cinéma, la vidéo, les installations médiatiques, les arts sonores, les arts électroniques et les jeux vidéo, les médias numériques et les projets de réalité virtuelle.

## Multi and Inter-Arts Multiarts et interarts

Multi and Inter-Arts programs support individuals, organizations and collectives that engage in a range of artistic activities or incorporate multiple art forms into their work. The activities supported through these programs may include inter-arts explorations, unique collaborations across art forms and multi and inter-arts festivals, events and series. Support is also available for initiatives that are designed to benefit the larger professional multi and inter-arts community.

Les programmes multiarts et interarts appuient les particuliers, organismes et collectifs qui exercent dans une gamme d'activités artistiques ou qui incorporent de multiples formes d'art dans leurs œuvres. Les activités subventionnées dans le cadre de ces programmes peuvent comprendre des explorations interdisciplinaires, des collaborations particulières entre différentes formes artistiques ainsi que des festivals, événements et séries multiarts et interarts. Les programmes subventionnent également les initiatives qui favorisent le milieu professionnel multidisciplinaire et interdisciplinaire en général.

## Music Musique

The Ontario Arts Council's Music programs support the creation, recording, production and presentation of music from a range of genres across the province. One of the priorities is fostering the creation of new works by Ontario composers and musicians as well as supporting artists whose musical practice is focused on a particular cultural tradition. Programs also provide operating and project funding to Ontario-based not-for-profit opera companies, orchestras, choral organizations and other music-mandated producers and presenters.

Les programmes de musique du CAO soutiennent la création, l'enregistrement, la production et la présentation d'œuvres musicales dans une gamme de genres et dans toute la province. Ils ont notamment comme priorité de favoriser la création de nouvelles œuvres de compositeurs ou musiciens ontariens et d'appuyer les artistes dont la pratique musicale est axée sur une tradition culturelle particulière. Les programmes accordent également des subventions de fonctionnement et de projet aux compagnies d'opéra, orchestres, organismes de chant choral sans but lucratif et autres producteurs et diffuseurs de musique sans but lucratif en Ontario.

## Northern Arts Arts du Nord

The Northern Arts program recognizes the distinctive nature of the arts produced in northern Ontario and acknowledges that audiences and artists in the north face barriers in accessing arts experiences and opportunities. The program provides project support for the creation and production of new works by northern Ontario-based organizations, individual artists and collectives. It also funds projects that present or promote northern arts and artists, supports community engagement projects and provides opportunities for skills and career development. Ontario Arts Council's northern representatives provide grant application guidance to artists and arts organizations based in Ontario's far north, northwest and northeast.

Le programme Arts du Nord reconnaît la nature particulière de la production artistique dans le nord de l'Ontario et les obstacles auxquels se heurtent les publics et les artistes du Nord pour accéder aux différentes expériences et activités artistiques. Il offre aux organismes, artistes et collectifs du Nord des subventions de projets pour la création de nouvelles œuvres. Le programme finance également les projets qui assurent la diffusion ou la promotion des arts et des artistes du Nord, qui font participer la communauté, et qui offrent des possibilités de perfectionnement des compétences ou de développement de carrière. Les représentantes du CAO dans le Nord donnent aux artistes et aux organismes artistiques du Grand Nord, du Nord-Ouest et du Nord-Est des conseils pour la préparation d'une demande de subvention.

## Visual Arts Arts visuels

The Ontario Arts Council's Visual Arts and Craft programs support a range of practices and forms of expression used in visual arts and craft. Project funding supports Ontario-based visual artists, craft artists, curators and artist collectives to develop, create and present their work. In addition, operating programs support public art galleries, artist-run art galleries, production centres, presenters, distributors, festivals and craft organizations.

Les programmes d'arts visuels et de métiers d'art du Conseil des arts de l'Ontario soutiennent un éventail de pratiques et de formes d'expression utilisées dans les arts visuels et les métiers d'art. Les subventions de projets aident les artistes en arts visuels, les artistes en métiers d'art, les commissaires et les collectifs d'artistes de l'Ontario à développer, créer et faire connaître leurs œuvres. Les subventions de fonctionnement appuient les galeries d'art publiques, les galeries d'art autogérées, les centres de production, les diffuseurs, les distributeurs, les festivals et les organismes de métiers d'art.

# Building Audiences and Markets

## Développement des publics et des marchés

This stream of the Ontario Arts Council's funding framework focuses on the benefit of access to the arts, bringing the work of Ontario's artists and arts organizations to more people across the province. OAC supports a number of audience and market development projects and initiatives, including outreach, touring, residencies, collaborations and travel. The granting programs offered through the Building Audiences and Markets stream not only provide opportunities for artists, organizations and presenters to reach and build new audiences, but also help build Ontario's brand across the country and around the globe, in turn attracting tourism, jobs and investment to the province.

Cette filière du cadre de financement du Conseil des arts de l'Ontario, qui est axée sur les avantages de l'accès aux arts, fait connaître le travail des artistes et des organismes artistiques de l'Ontario à un plus grand nombre de personnes dans la province. Le CAO soutient plusieurs initiatives et projets de développement des publics et des marchés, notamment les initiatives de sensibilisation aux arts, les tournées, les résidences, les collaborations et les déplacements. Les programmes de subventions de la filière Développement des publics et des marchés non seulement donnent aux artistes, aux organismes et aux diffuseurs la possibilité d'atteindre et de développer de nouveaux publics, mais renforcent également l'image de marque de l'Ontario au Canada comme dans le reste du monde, ce qui a d'importantes retombées sur le tourisme, l'emploi et les investissements.

## Travel Assistance Aide au déplacement

The Travel Assistance fund exists primarily to support Ontario presenters who wish to attend either Ontario Contact, the Ontario Presenting Networks' annual showcasing event or Réseau Ontario's Contact ontariois. One subsidy is allowed per organization on round trips

of 300 kilometres or more and is calculated on a per-kilometre rate with flight expenses factored into the final support figures for presenters travelling from northern Ontario communities.

Le fonds d'aide au déplacement vise principalement à défrayer les diffuseurs ontariens qui souhaitent assister à Contact ontariois, vitrine annuelle des arts de la scène francophones organisée par Réseau Ontario, ou à Ontario Contact, vitrine annuelle de langue anglaise organisée par Ontario Presenting Network. Les organismes ont droit à une seule subvention pour des trajets aller-retour de 300 km ou plus, subvention calculée en fonction du kilométrage et qui, pour les diffuseurs en provenance de collectivités du nord de l'Ontario, couvre aussi les déplacements en avion.

# Engaging Communities and Schools

## Collaboration avec les communautés et les écoles

The Ontario Arts Council's Engaging Communities and Schools funding stream further strengthens and adds vitality to Ontario communities, making them great places to live and work. Research has demonstrated that there is a link between engagement in the arts and the development of strong creative and critical thinking skills and overall well-being. The programs offered through this stream generate important opportunities for artists and communities to connect, express ideas, create artworks and strengthen societal connections. Arts activities led by professional artists and arts organizations help increase, broaden and diversify arts participation among Ontarians of all ages, abilities and backgrounds.

The funding offered through these granting programs support skilled and experienced artists in leading arts activities that foster inclusion and creativity, with the overall aim of making the arts available and accessible to all.

La filière de financement Collaboration avec les communautés et les écoles du Conseil des arts de l'Ontario renforce les collectivités ontariennes, leur apporte de la vitalité et en fait des endroits où il fait bon vivre et travailler. La recherche a démontré que la participation aux activités artistiques est directement liée au développement de la pensée créative et critique comme au bien-être en général. Les programmes offerts dans le cadre de cette filière offrent aux artistes et aux collectivités de multiples occasions de créer des liens, d'exprimer des idées, de créer des œuvres d'art et de renforcer les liens sociaux. Les activités artistiques dirigées par des artistes professionnels et des organismes artistiques donnent aux Ontariens des possibilités de participation plus nombreuses, plus vastes et plus diversifiées, indépendamment de leur âge, de leurs capacités et de leurs antécédents.

Ces programmes de subventions permettent à des artistes compétents et expérimentés de diriger des activités artistiques qui favorisent l'inclusion et la créativité dans le but de rendre les arts abordables et accessibles à tous.

# Creative Engagement Fund

## Fonds de mobilisation créative

**Loree Lawrence**

Officer  
Responsable

The Creative Engagement Fund to Stop Sexual Violence and Harassment in Ontario program was established in 2015 by the Ministry of the Status of Women as part of It's Never Okay: An Action Plan to Stop Sexual Violence and Harassment. The program provided funding to ad hoc arts groups/collectives and arts organizations or not-for-profit community organizations working with professional artists in any art form or artistic practice. The Creative Engagement Fund's goal was to develop and deliver arts projects that dealt effectively with issues of sexual violence and harassment, such as consent, rape culture and gender equality, and to share them with Ontario communities.

Le programme Fonds de mobilisation créative pour mettre fin à la violence et au harcèlement sexuels en Ontario a été créé en 2015 par le ministère de la Condition féminine dans le cadre de l'initiative *Ce n'est jamais acceptable : plan d'action pour mettre un terme à la violence et au harcèlement à caractère sexuel*. Il subventionnait des groupes ad hoc, des collectifs d'artistes, des organismes artistiques et des organismes communautaires sans but lucratif qui travaillaient avec des artistes professionnels dans toutes les formes ou pratiques artistiques. Il avait comme objectif de mettre au point et de réaliser des projets artistiques qui traitent efficacement des questions de violence et de harcèlement à caractère sexuel, notamment le consentement, la culture du viol et l'égalité des sexes, et de les diffuser dans les communautés ontariennes.

Myths and Mirrors Community Arts (Sudbury) received support through the Creative Engagement Fund for Project ArmHer, a project which provided opportunities to sex workers to tell their stories of sexual violence through a series of audience engagement workshops and performances. Pictured is a body map being created by project participants. (Photo: Cait Mitchell)

L'organisme Myths and Mirrors Community Arts, de Sudbury, a reçu une subvention du Fonds de mobilisation créative pour le projet *ArmHer*, qui a permis aux travailleuses du sexe de relater, dans le cadre d'une série d'ateliers et de spectacles, les violences sexuelles qu'elles ont subies. On voit sur l'image une carte du corps en train d'être créée par les femmes qui ont participé à ce projet. (Photo : Cait Mitchell)

# Indigenous Culture Fund

## Fonds culturel autochtone

### Janine Manning

Manager of the Indigenous Culture Fund (from September 2017)  
Chef du Fonds culturel autochtone (depuis septembre 2017)

### Kerry Swanson

Acting Manager of the Indigenous Culture Fund (June to September 2017)  
Chef intérimaire du Fonds culturel autochtone (de juin à septembre 2017)

### Erika Iserhoff

Indigenous Culture Fund Grants Facilitator (from October 2017)  
Responsable des subventions du Fonds culturel autochtone (depuis octobre 2017)

The Indigenous Culture Fund (ICF) was created to support First Nations, Inuit and Métis communities, cultures and ways of life. The fund is administered by Indigenous staff members at the Ontario Arts Council (OAC) on behalf of the Province of Ontario through the Ministry of Tourism, Culture and Sport (MTCS) and was part of the former Government of Ontario's response to the Calls to Action of the Truth and Reconciliation Commission of Canada.

Programs offered under the Indigenous Culture Fund aim to support opportunities for First Nation, Inuit and Métis peoples to develop and deliver community-based cultural projects and build traditional knowledge capacity. These projects can include initiatives and activities such as language learning and the development of language-teaching strategies and tools; opportunities for cross-generational knowledge sharing through youth-led or Elder-led projects; and participation in ceremonies, protocols and land-based activities.

*Note: Certain applicants are listed more than once because they received grants for multiple projects. Applicants are eligible to receive up to two Indigenous Culture Fund Small Grants per calendar year, provided that each grant is for a different activity. Applicants are eligible to receive two ICF Small Grants and one ICF Project Grant in addition to other OAC project or operating grants. However, the OAC grants cannot be applied to the same projects or activities that are funded through ICF grants.*

Le Fonds culturel autochtone (FCA) a été créé pour promouvoir les communautés, la culture et le mode de vie des Premières Nations, des Inuits et des Métis. Il est administré par des membres autochtones du personnel du Conseil des arts de l'Ontario (CAO) au nom de la province de l'Ontario, par l'entremise du ministère du Tourisme, de la Culture et du Sport (MTCS), et faisait partie de la réponse du gouvernement précédent de l'Ontario aux appels à l'action de la Commission de vérité et réconciliation (CVR) du Canada.

Les programmes offerts dans le cadre du FCA visent à donner aux peuples autochtones (Premières Nations, Inuits et Métis) la possibilité d'élaborer et de réaliser des projets culturels communautaires et de renforcer leurs capacités en matière de savoir traditionnel. Ces projets peuvent comprendre différentes initiatives et activités : apprentissage des langues et développement de stratégies et d'outils d'enseignement des langues; partage intergénérationnel du savoir grâce à des projets dirigés par des jeunes ou des aînés; participation à des cérémonies, à des protocoles et à des activités liées à la terre.

*Remarque : Le nom de certains candidats apparaît plus d'une fois parce qu'ils ont reçu des subventions pour plusieurs projets. Les candidats peuvent recevoir du FCA, pendant une année civile, deux petites subventions (à condition que chacune porte sur une activité différente) et une subvention de projet en plus d'autres subventions de projets ou de fonctionnement du CAO. Un même projet ne peut cependant pas être financé à la fois par le CAO et le FCA.*

Ils étaient réunis au Pow-Wow Networking / Knowledge Exchange, rencontre d'une journée où des professionnels et des organisateurs de pow-wow, ainsi que des membres de communautés autochtones, ont pu se renseigner mutuellement sur les protocoles traditionnels et apprendre l'histoire des pow-wow de la bouche même de gardiens du savoir et d'ainés autochtones. The Ontario Arts Council (OAC) manages private funds established by individual donors to benefit the arts. The income from these funds allows us to present awards, scholarships, grants and fellowships to artists for purposes identified by the individual donors. OAC administers the awards programs in addition to administering awards on behalf of the Government of Ontario, the Ontario Arts Foundation and other foundations. We also assist individuals who are interested in establishing an endowment or award in support of the arts at OAC.

*Please note that in this report, the date of awards listed does not necessarily correspond to the date of the awards ceremonies.*

Le CAO gère des fonds privés que des donateurs individuels ont établis pour soutenir les arts. Les revenus de ces fonds lui permettent de décerner à des artistes des prix, des bourses et des subventions aux fins déterminées par les donateurs. Le CAO administre ces programmes de prix et administre aussi des prix pour le compte du gouvernement de l'Ontario, de la Fondation des arts de l'Ontario et d'autres fondations. Il aide également les personnes intéressées à établir auprès du CAO une dotation ou un prix en faveur des arts.

*Veillez noter que la date des prix indiquée ici ne correspond pas nécessairement à la date des cérémonies de remise des prix.*

"We work with arts patrons to build long-term support for the arts in Ontario."

The Ontario Arts Foundation (the Foundation) is a public non-government foundation established in 1991 to encourage and facilitate private giving to the arts. The Foundation works with donors to build lasting endowments in support of the arts based on their philanthropic wishes, and currently holds over 300 endowments established by individuals, foundations and arts organizations.

Both the Ontario Arts Council (OAC) and the Foundation have awards programs. Awards and scholarships are established through gifts from donors and are administered according to each donor's wishes. As well as their own awards, the OAC manages the selection process for several awards established through funds at the Foundation. When OAC and the Foundation have collaborated on an award, the name of the award is listed in OAC's Awards pages and the Foundation's pages.

« Nous travaillons avec les mécènes des arts afin de construire un soutien de long terme pour les arts en Ontario. »

La Fondation des arts de l'Ontario (FAO) est une fondation de bienfaisance publique non gouvernementale créée en 1991 pour encourager et faciliter les dons privés aux arts. Elle établit des fonds de dotation à perpétuité pour les arts en collaboration avec les donateurs et en tenant à réaliser les objectifs philanthropiques de ces derniers. La FAO détient plus de 300 dotations établies par des particuliers, des fondations, et des organismes artistiques.

Le Conseil des arts de l'Ontario (CAO) et la FAO ont tous deux des programmes de prix. Les prix et bourses sont établis grâce aux dons de donateurs et sont administrés conformément aux volontés de ces derniers. Le CAO gère le processus de sélection de plusieurs prix établis par des fonds de la FAO. Si un prix fait l'objet d'une collaboration entre le CAO et la FAO, il figure aussi bien dans les pages du CAO que dans les pages de la FAO.
