GRANTS LISTING

LISTE DES SUBVENTIONS

The Ontario Arts Council's (OAC's) 2018-19 Grants Listing reports on all grant amounts paid to organizations and individuals throughout the fiscal year (April 1, 2018 to March 31, 2019). The report also includes final payments made in the 2018-19 fiscal year related to grant results announced in previous years (this can occur when a grant has been awarded with conditions that are not met until a subsequent fiscal period). Because this report is a snapshot representing a fixed point in time, the reader of this report may see listings for granting programs that no longer exist or have changed names.

The grants listings are listed under the following four streams:

- Creating and Presenting
- Building Audiences and Markets
- Engaging Communities and Schools
- Developing Careers and Arts Services

OAC's six priority groups are a key focus in all programs, which remain discipline-based, activity-based or priority group-based.

In addition, this report includes the grants awarded under two OAC partnership programs: the Indigenous Culture Fund and the Creative Engagement Fund. These programs are administered respectively on behalf of the Ministry of Tourism, Culture and Sport and what was, in 2017-18, the Ministry of the Status of Women.

Finally, OAC also administers the selection process for various awards and scholarships from private funds held at OAC, such as the Chalmers Family Fund, as well as two government-funded award programs. This section also includes the listings for awards administered by OAC on behalf of the Ontario Arts Foundation.

La *Liste des subventions 2018-2019* du Conseil des arts de l'Ontario (CAO) fait état de tous les montants versés aux organismes et aux particuliers pendant l'exercice financier qui va du 1^{er} avril 2018 au 31 mars 2019. Ce rapport comprend également les derniers versements effectués au cours de l'exercice 2018-2019 pour des subventions annoncées au cours de l'exercice précédent (cela peut se produire lorsqu'une subvention a été accordée sous réserve de conditions qui ne sont remplies qu'au cours de l'exercice suivant). Étant donné que ce rapport donne un aperçu d'une période précise, on peut y trouver des informations liées à des programmes de subventions qui n'existent plus ou qui ont changé de nom.

La liste des subventions est structurée en fonction des quatre filières suivantes :

- Création et diffusion
- Collaboration avec les communautés et les écoles
- Développement des publics et des marchés
- Renforcement des carrières et des services aux arts

Les six groupes prioritaires du CAO sont une cible privilégiée de tous les programmes, qui continuent à être axés sur une discipline, une activité ou un groupe prioritaire.

Ce rapport comprend aussi les subventions accordées dans le cadre de deux programmes de partenariat du CAO : le Fonds culturel autochtone et le Fonds de mobilisation créative. Ces programmes sont administrés respectivement pour le ministère du Tourisme, de la Culture et du Sport et de ce qui était, en 2017-2018, le ministère de la Condition féminine.

Enfin, le CAO gère également le processus de sélection de plusieurs prix et bourses provenant de fonds privés qui lui ont été confiés, comme le Fonds de la famille Chalmers, ainsi que deux programmes de prix financés par le gouvernement. Cette section comprend aussi la liste des prix administrés par le CAO au nom de la Fondation des arts de l'Ontario.

How grant applications are assessed

Where applicable, the listings also include the names of assessment panel members for each program deadline. In most cases, OAC uses one of three peer assessment models to review applications and make grant decisions:

- Juries are generally used for project programs. The jury is made up of professional artists and other arts professionals who determine which applicants should receive grants and decide on the grant amount if the program does not already have a pre-determined grant level.
- Advisory panels are used for operating programs and some project programs. The advisors who serve on the panel are professional artists and other professionals in the field and are responsible for assessing applications and providing advice on funding priorities. Unlike jurors, advisors do not make final decisions on grant amounts, and instead make recommendations to OAC that are submitted to the Director & CEO and to the Board of Directors for approval.
- Third party recommenders are organizations in the artistic community that receive and assess grant applications and make recommendations for funding to OAC.

For certain deadlines (for Year Two and Year Three of a multi-year funding cycle, for example), funding requests are reviewed internally by OAC program officers. Ensuring the relevance, fairness and consistency of OAC programs, and therefore the process for allocating grants, is both rigorous and complex. Individual applicants are never asked to sit on juries or advisory panels for programs in which they have an application being assessed. An arts professional employed by an organization receiving multi-year funding may act as an assessor as long as their organization is not being assessed at that deadline.

L'évaluation des demandes de subventions

S'il y a lieu, la liste comprend aussi le nom des membres des groupes d'évaluateurs pour chaque date limite des programmes. Dans la plupart des cas, le CAO utilise l'un de trois modèles d'évaluation par les pairs pour examiner les demandes et prendre les décisions en matière de subvention :

- Les jurys sont généralement utilisés pour les programmes de projets. Ils sont composés d'artistes professionnels et d'autres professionnels des arts qui sélectionnent les candidats méritant d'être subventionnés et déterminent le montant de la subvention si le programme n'a pas déjà un niveau de subvention prédéterminé.
- Les comités d'évaluation sont utilisés pour les programmes de fonctionnement et certains programmes de projets. Les conseillers qui y siègent sont des artistes professionnels et d'autres professionnels du domaine en question qui sont chargés d'évaluer les demandes et de donner des conseils sur les priorités de financement. Contrairement aux jurés, les conseillers ne prennent pas les décisions sur le montant des subventions, mais font des recommandations qui sont soumises au directeur général et au conseil d'administration du CAO pour approbation.
- Les tiers recommandataires sont des organismes du milieu artistique qui reçoivent les demandes de subventions, les évaluent et font des recommandations de financement au CAO.

Pour certaines dates limites (comme l'exercice 2 et 3 d'un cycle de financement pluriannuel, par exemple), les demandes sont examinées à l'interne par les responsables des programmes du CAO. La procédure suivie pour assurer la pertinence, l'impartialité et la cohérence des programmes du CAO et, par conséquent, du processus d'octroi des subventions, est à la fois rigoureuse et complexe. Le CAO n'invite jamais des candidats individuels à siéger à un jury ou à un comité d'évaluation pour un programme dans le cadre duquel leur demande est évaluée. Les professionnels des arts employés par des organismes bénéficiant d'une subvention pluriannuelle peuvent servir d'évaluateurs, pour autant que leur organisme ne fasse pas l'objet d'une évaluation à la date limite en question.

CREATING AND PRESENTING

CRÉATION ET DIFFUSION

The Creating and Presenting stream is the largest of the four streams in the Ontario Arts Council's (OAC) funding framework. The programs offered through this stream fulfill the first half of OAC's organizational mandate – to foster the creation and production of art – by providing project and operating support to professional artists and arts organizations. This helps build a vital arts sector in Ontario and ensures access to the arts, which makes all of our lives richer.

While most of the programs in the Creating and Presenting stream are designed to provide support by artistic discipline, OAC also offers programs designated for specific priority groups and geographic regions. This approach ensures that the needs of diverse arts communities across the province are met and that various cultural and practical approaches to artistic creation are recognized and supported. We believe that works of artistic merit are created by artists from all communities, regions and cultural backgrounds.

La filière Création et diffusion est la plus grande des quatre filières du cadre de financement du Conseil des arts de l'Ontario (CAO) et répond à la première moitié du mandat de notre organisme : favoriser la création et la production artistiques. Les programmes qu'elle offre accordent aux artistes professionnels et aux organismes artistiques des subventions de projets et de fonctionnement qui contribuent au dynamisme du secteur artistique de l'Ontario et assurent un accès aux arts qui enrichit nos vies à tous.

Si la plupart des programmes de subventions de la filière Création et diffusion sont axés sur une discipline artistique, le CAO offre également des programmes destinés à des groupes prioritaires et à des régions géographiques précises. Cette approche permet de répondre aux besoins des différents milieux artistiques de la province et de promouvoir différentes démarches culturelles ou différentes pratiques de la création artistique. Nous sommes convaincus que des œuvres artistiques méritoires sont créées par des artistes de toutes les communautés, de toutes les régions et de tous les horizons culturels.

BUILDING AUDIENCES AND MARKETS

DÉVELOPPEMENT DES PUBLICS ET DES MARCHÉS

This stream of the Ontario Arts Council's (OAC) funding framework focuses on the benefit of access to the arts, bringing the work of Ontario's artists and arts organizations to more people across the province. OAC supports a number of audience and market development projects and initiatives, including outreach, touring, residencies, collaborations and travel. The granting programs offered through the Building Audiences and Markets stream not only provide opportunities for artists, organizations and presenters to reach and build new audiences, but also help build Ontario's brand across the country and around the globe, in turn attracting tourism, jobs and investment to the province.

Cette filière du cadre de financement du Conseil des arts de l'Ontario (CAO), qui est axée sur les avantages de l'accès aux arts, fait connaître le travail des artistes et des organismes artistiques de l'Ontario à un plus grand nombre de personnes dans la province. Le CAO soutient plusieurs initiatives et projets de développement des publics et des marchés, notamment les initiatives de sensibilisation aux arts, les tournées, les résidences, les collaborations et les déplacements. Les programmes de subventions de la filière Développement des publics et des marchés non seulement donnent aux artistes, aux organismes et aux diffuseurs la possibilité d'atteindre et de développer de nouveaux publics, mais renforcent également l'image de marque de l'Ontario au Canada comme dans le reste du monde, ce qui a d'importantes retombées sur le tourisme, l'emploi et les investissements.

ENGAGING COMMUNITIES AND SCHOOLS

COLLABORATION AVEC LES COMMUNAUTÉS ET LES ÉCOLES

The Ontario Arts Council's Engaging Communities and Schools funding stream further strengthens and adds vitality to Ontario communities, making them great places to live and work. Research has demonstrated that there is a link between engagement in the arts and the development of strong creative and critical thinking skills and overall well-being. The programs offered through this stream generate important opportunities for artists and communities to connect, express ideas, create artworks and strengthen societal connections. Arts activities led by professional artists and arts organizations help increase, broaden and diversify arts participation among Ontarians of all ages, abilities and backgrounds.

The funding offered through these granting programs support skilled and experienced artists in leading arts activities that foster inclusion and creativity, with the overall aim of making the arts available and accessible to all.

La filière de financement Collaboration avec les communautés et les écoles du Conseil des arts de l'Ontario renforce les collectivités ontariennes, leur apporte de la vitalité et en fait des endroits où il fait bon vivre et travailler. La recherche a démontré que la participation aux activités artistiques est directement liée au développement de la pensée créative et critique comme au bien-être en général. Les programmes offerts dans le cadre de cette filière offrent aux artistes et aux collectivités de multiples occasions d'établir des liens, d'exprimer des idées, de créer des œuvres d'art et de renforcer les liens sociaux. Les activités artistiques dirigées par des artistes professionnels et des organismes artistiques donnent aux Ontariens des possibilités de participation plus nombreuses, plus vastes et plus diversifiées, indépendamment de leur âge, de leurs capacités et de leurs antécédents.

Ces programmes de subventions permettent à des artistes compétents et expérimentés de diriger des activités artistiques qui favorisent l'inclusion et la créativité dans le but de rendre les arts abordables et accessibles à tous.

DEVELOPING CAREERS AND ARTS SERVICES

RENFORCEMENT DES CARRIÈRES ET DES SERVICES AUX ARTS

The Developing Careers and Arts Services stream contributes to the vitality of Ontario's arts infrastructure. In an ever-changing world, it is more important than ever for artists and arts organizations to strengthen their skills, share knowledge and build their capacity in order to become more resilient and maximize their reach and impact. The Ontario Arts Council offers granting programs that support training, mentorship, career development and capacity building at the individual, organizational and sectoral level. By offering opportunities for professional growth and learning, OAC helps Ontario's artists thrive and make strong contributions to their communities.

La filière Renforcement des carrières et des services aux arts contribue à la vitalité de l'infrastructure artistique de l'Ontario. Dans un monde qui ne cesse d'évoluer, il est plus important que jamais pour les artistes et les organismes artistiques de développer leurs compétences, de partager leurs connaissances et de renforcer leurs capacités pour devenir plus résilients, accroître leur portée et maximiser leur impact. Les programmes de subventions du Conseil des arts de l'Ontario subventionnent la formation, le mentorat, le perfectionnement professionnel et le renforcement des capacités au niveau individuel, organisationnel et sectoriel. En offrant des possibilités de croissance professionnelle et d'apprentissage, le CAO aide les artistes de l'Ontario à s'épanouir et à faire une contribution importante à leur collectivité.

CREATIVE ENGAGEMENT FUND

FONDS DE MOBILISATION CRÉATIVE

Loree Lawrence
Officer
Responsible

The Creative Engagement Fund to Stop Sexual Violence and Harassment in Ontario program was established in 2015 by the Ministry of the Status of Women as part of *It's Never Okay: An Action Plan to Stop Sexual Violence and Harassment*. The program provided funding to ad hoc arts groups/collectives and arts organizations or not-for-profit community organizations working with professional artists in any art form or artistic practice. The Creative Engagement Fund's goal was to develop and deliver arts projects that dealt effectively with issues of sexual violence and harassment, such as consent, rape culture and gender equality, and to share them with Ontario communities.

Le programme Fonds de mobilisation créative pour mettre fin à la violence et au harcèlement sexuels en Ontario a été créé en 2015 par le ministère de la Condition féminine dans le cadre de l'initiative *Ce n'est jamais acceptable : plan d'action pour mettre un terme à la violence et au harcèlement à caractère sexuel*. Il subventionnait des groupes ad hoc, des collectifs d'artistes, des organismes artistiques et des organismes communautaires sans but lucratif qui travaillaient avec des artistes professionnels dans toutes les formes ou pratiques artistiques. Il avait comme objectif de mettre au point et de réaliser des projets artistiques qui traitent efficacement des questions de violence et de harcèlement à caractère sexuel, notamment le consentement, la culture du viol et l'égalité des sexes, et de les diffuser dans les communautés ontariennes.

INDIGENOUS CULTURE FUND

FONDS CULTUREL AUTOCHTONE

Erika Iserhoof
Grants Facilitator
Responsable des subventions

The Indigenous Culture Fund (ICF) was created to support First Nations, Inuit and Métis communities, cultures and ways of life. The fund is administered by Indigenous staff members at the Ontario Arts Council (OAC) on behalf of the Province of Ontario through the Ministry of Tourism, Culture and Sport (MTCS) and was part of the former Government of Ontario's response to the Calls to Action of the Truth and Reconciliation Commission of Canada.

Programs offered under the Indigenous Culture Fund aim to support opportunities for First Nation, Inuit and Métis peoples to develop and deliver community-based cultural projects and build traditional knowledge capacity. These projects can include initiatives and activities such as language learning and the development of language-teaching strategies and tools; opportunities for cross-generational knowledge sharing through youth-led or Elder-led projects; and participation in ceremonies, protocols and land-based activities.

Note: Certain applicants are listed more than once because they received grants for multiple projects. Applicants are eligible to receive up to two Indigenous Culture Fund Small Grants per calendar year, provided that each grant is for a different activity. Applicants are eligible to receive two ICF Small Grants and one ICF Project Grant in addition to other OAC project or operating grants. However, the OAC grants cannot be applied to the same projects or activities that are funded through ICF grants.

Janine Manning
Manager (until March 2019)
Chef (jusqu'en mars 2019)

Le Fonds culturel autochtone (FCA) a été créé pour promouvoir les communautés, la culture et le mode de vie des Premières Nations, des Inuits et des Métis. Il est administré par des membres autochtones du personnel du Conseil des arts de l'Ontario (CAO) au nom de la province de l'Ontario, par l'entremise du ministère du Tourisme, de la Culture et du Sport (MTCS), et faisait partie de la réponse du gouvernement précédent de l'Ontario aux appels à l'action de la Commission de vérité et réconciliation (CVR) du Canada.

Les programmes offerts dans le cadre du FCA visent à donner aux peuples autochtones (Premières Nations, Inuits et Métis) la possibilité d'élaborer et de réaliser des projets culturels communautaires et de renforcer leurs capacités en matière de savoir traditionnel. Ces projets peuvent comprendre différentes initiatives et activités : apprentissage des langues et développement de stratégies et d'outils d'enseignement des langues; partage intergénérationnel du savoir grâce à des projets dirigés par des jeunes ou des aînés; participation à des cérémonies, à des protocoles et à des activités liées à la terre.

Remarque : Le nom de certains candidats apparaît plus d'une fois parce qu'ils ont reçu des subventions pour plusieurs projets. Les candidats peuvent recevoir du FCA, pendant une année civile, deux petites subventions (à condition que chacune porte sur une activité différente) et une subvention de projet en plus d'autres subventions de projets ou de fonctionnement du CAO. Un même projet ne peut cependant pas être financé à la fois par le CAO et le FCA.

The OAC manages private funds established by individual donors to benefit the arts. The income from these funds allows us to present awards, scholarships, grants and fellowships to artists for purposes identified by the individual donors. OAC administers the awards programs in addition to administering awards on behalf of the Government of Ontario, the Ontario Arts Foundation and other foundations. We also assist individuals who are interested in establishing an endowment or award in support of the arts at OAC.

Please note that in this report, the date of awards listed does not necessarily correspond to the date of the awards ceremonies.

Le CAO gère des fonds privés que des donateurs individuels ont établis pour soutenir les arts. Les revenus de ces fonds lui permettent de décerner à des artistes des prix, des bourses et des subventions aux fins déterminées par les donateurs. Le CAO administre ces programmes de prix et administre aussi des prix pour le compte du gouvernement de l'Ontario, de la Fondation des arts de l'Ontario et d'autres fondations. Il donne également des conseils aux personnes intéressées à établir auprès du CAO une dotation ou un prix en faveur des arts.

Veillez noter que la date des prix indiquée ici ne correspond pas nécessairement à la date des cérémonies de remise des prix.
